

The Biggest Morning High Tea Hosted by the Rotary Club of Cessnock at Marthaville for Cancer Council

The Rotary Club of Cessnock recently hosted a delightful morning high tea at the historic Marthaville, bringing the community together for a cause dear to our hearts. This elegant event, filled with laughter, camaraderie, and delicious treats, was a testament to the club's commitment to fostering community spirit and supporting charitable endeavours.

A Culinary Masterpiece by President Elect Vicki

One of the standout aspects of the high tea was the incredible spread of food, meticulously planned and prepared by our very own President Elect, Vicki. Vicki's dedication was evident in every bite, as she spent countless hours in the kitchen crafting a menu that delighted the senses and warmed the hearts of all attendees.

From delicate sandwiches to an array of freshly baked scones, pastries, and cakes, Vicki's culinary skills were on full display.

Bringing the Community Together

The high tea was more than just an opportunity to indulge in delicious food; it was a chance for members of the community to come together, reconnect, and support the Rotary Club's initiatives. The funds raised from this event will be donated to The Cancer Council.

Heartfelt Thanks

The Rotary Club of Cessnock extends its deepest gratitude to:

- President Elect Vicki: for her tireless efforts and exceptional culinary contributions.
- Ron Jackson: for playing and singing, adding a musical touch that enhanced the ambiance.
- Volunteers: Penny, Elsie, Carolyn, Liz, and Lyn for their invaluable assistance in making the event run smoothly.
- Our friends who donated the many raffle prizes.
- Our sponsor, Creightons Funeral Service, for the lucky door prize of beautiful flowers.

Your contributions and support were instrumental in making the high tea a resounding success.
