PINK HIGH TEA FOR CANCER

Penny is flying out to Canada and New York but before she leaves, she couldn't resist a pink day. That's our Penny. Who ever thought that dressing up was a thing with Penny, nobody would have guessed. But it was for a great cause and it sure looks like all the ladies put in a fantastic effort in their outfits.

Have a great time Penny and I know that I can rely on you to send photos for the Newsletter, sure wish more members would do that.

WALK FOR MENTAL HEALTH

Another great cause. Vicki and her daughter Tammy have been on holidays up North.. Actually 250 klm from Weipa in North Queensland. Just so the trip was noteworthy Vicki and Tammy completed a two day 42 klm walk for Mental Health. Not a bad effort and in such colourful shirts, as well. The road was hot and dusty, most all on dirt roads, but thank heavens for a gentle breeze at times. There were lots of rest stops and a cool down in a stream at the end of each day.

OCTOBER IS

ECONOMIC AND COMMUNITY DEVELOPMENT MONTH

“The ultimate resource in economic development is people. It is people, not capital or raw materials that develop an economy.”

TAKE ACTION: Get Involved, Be a People of Action

Annette visited the famous Portabello Markets in Notting Hill but there was no Hugh anywhere to be found. But she did experience the Travel Shop and the Blue Door. The markets were incredible and everyone is cashing in on the film. Annette's latest tour was around Princess Diana's memorial Park. It sounds like a fun trip and look forward to hearing about it on your return.
