FEEDING BREAKFAST AND LUNCH

Every Wednesday at the Uniting Church Hall is now a Breakfast as well as a free lunch for the people in need. Our chef extra ordinaire Graham Farish did the honours of providing the meals and it was a fantastic effort appreciated by the people coming along. We have quite a number of regular visitors but could have other people coming along. We also have our regular helpers as well with Vicki, Liz and Debbie who are just fantastic in their efficiency. Also Georgina Picton from Chreightons who comes along and they have provided donations to keep this going every week. I also managed to capture both sides of our marvellous chef.

UNITING CHURCH HALL VENUE

Our hard working Graham at work. Vicki Steep and Graham Farish are our force behind the success of this venture every week. Our club is very fortunate to have such devoted members who put in so much effort on a continuous basis, plus the Friends of Rotary who come along and assist. It just wouldn't be a success like it is without these fantastic volunteers.

BROKE PUBLIC SCHOOL EVENT

Tuesday 1st Aug we supported education week by providing a sausage sizzle and cup cakes to the teachers, parents and students at Broke Public School. Graham cooked 3 different varieties of cup cakes. The cup cakes decorated with M&Ms were the children's favourite. In-between cooking sausages and serving cup cakes we watched the children play a variety of outdoor games. Another lovely sunny day enjoyed by all.

Thank you for The Rotary Club of Cessnock's recent ClubGRANTS application seeking funding for its ongoing activities and/or programs.

On behalf of the Board, Management, Staff and Members of Cessnock Leagues Club, I am pleased to advise that your application has been approved and \$7,000.00 in funding will be donated to The Rotary Club of Cessnock. A formal invitation with RSVP details will be sent to you in a separate email.

We would appreciate any assistance in generating publicity to highlight the Club's support of your project. To this end, it would be greatly appreciated if you could provide any marketing collateral, including photos and logos, that would assist us in promoting both the project and our support.

Science and Engineering Discovery Days for our Primary School students

This year, 11th to 15th September, we have forty (40) teams across five (5) days representing schools from across the greater Newcastle area. Although High School students will be supervising the activities we will still need responsible adults to support them.

So, if any of your members would like to be involved in a happy fun day, with the enthusiasm that the younger students bring with them they will be most welcome. As usual, morning tea and lunch will be provided and we will be finished each day by 3.00 pm. San Clementai High School at Mayfield is the venue for the five days.

For those members prepared to assist we will need the following information; Name, mobile phone number, Date of Birth, WWC number and the day/s that they would be able to attend.
